WHAT IS THE VETERANS INTERVENTION STRATEGY (VIS)?

The VIS is a special collaborative, multi-agency program that takes a holistic approach to handling criminal cases involving veteran offenders. Representatives from each of the partner agencies meet regularly to discuss and review your progress through the program, and work to identify the best ways to support you on this journey.

The VIS Interagency Team is the authorizing body for VIS and will make the determinations on your advancement to the next program level and graduation from the program. The goal and mission of this Interagency Team and the reason criminal justice agencies, veteran's services, and treatment providers have come together is due to a sincere desire to aid our veterans in accessing the treatment and services you need to reach your potential.

The VIS uses a series of interventions including individualized substance abuse treatment, mental health treatment, linkage with veteran benefits, mentoring, and the use of sanctions and incentives. The VIS Interagency Team has much more involvement in supporting and supervising veterans than having a veteran go through the traditional criminal justice system.

Although the goal of VIS is to assist veterans, it is ultimately up to you as an individual to succeed in the program. If at any time you are no longer complying with VIS requirements you can be terminated from the program by the VIS Interagency Team. If that were to occur, your case would be sent back to the courts for sentencing by a Judge. You would no longer be eligible to receive the sentencing benefits that would have been awarded to you had you graduated from the VIS.

Track II Eligibility

To be eligible for the Deschutes County VIS program, individuals must be at least 18 years of age; charged with a crime in Deschutes County, but may be a resident of Deschutes, Jefferson, or Crook county; have his or her veteran status confirmed; have a diagnosed substance abuse or mental health challenges confirmed or an assessment completed by the Central Oregon Vet Center in Bend; and have the capacity and willingness to participate in the VIS as evidenced by voluntary acceptance of the plea negotiation leading to entrance into VIS.

Veterans not meeting the qualifiers described above and/or those diagnosed with personality disorders, or those referred by jurisdictions outside Deschutes County are not eligible for the VIS program. Veterans charged with a misdemeanor or felony offense other than for sex offenses are potentially eligible for the VIS program. All participants' cases, criminal history and medical background will be evaluated by the DA's Office to ensure veteran meets the program's legal requirements. Then those veterans determined to be potentially eligible will agree to be evaluated by the Vet Center to assess their veteran status and undergo a health diagnosis.

Although participation in the VIS is voluntary, no person has a right to participate in the program. Admission decisions are based upon the individual circumstances of each veteran that has become involved in the criminal justice system.

Financial Obligations

In most cases, treatment costs are covered by the U. S. Department of Veterans Affairs in accordance with your benefit rating, or Oregon Health Plan (OHP) depending upon your discharge status. Court fees, attorney fees or restitution / compensatory fine may be ordered in your case specific to the conditions of the plea agreement negotiated by your attorney. Any financial obligations ordered by the VIS Interagency Team must be paid in full before release from the VIS program.

VIS Meetings

The Deschutes County Veterans Intervention Strategy bi-monthly meetings are scheduled for the **second and fourth Monday of each month at 1:30 PM.**

These meeting occurs at either the Central Oregon Vet Center (1645 NE Forbes Rd # 105, Bend, OR 97701) or at the Deschutes County Circuit Courthouse (91100 NW Bond St, Bend, OR 97703). Enrolled veterans are notified of which locations or meetings each month they are required to attend. No one will be allowed into the VIS meetings under the influence of alcohol or non-prescribed controlled substances.

If the State of Oregon is under healthcare restrictions the meetings will be held virtually and participants will receive a meeting link via email to participate virtually. If a veteran is verifiably ill or in residential treatment they may request to participate virtually, but they must have access to a private room with internet, and a computer with video and audio capabilities.

Veterans will be required to report to the VIS meetings in person, monthly, or as directed by the VIS Interagency Team. As the veterans progress through the program, most will have the opportunity to attend fewer VIS meetings in recognition of their positive accomplishments.

Virtual attendance will be granted in cases of illness, and must be pre-approved by the VIS Interagency Team. Requests must be received no later than 9am on the day of the meeting. Requests received after 9am on the day of the meeting will be denied, thus delaying the participant one month in the program. If approval is granted, the individual participant will receive a link to join the meeting at the regular meeting time.

Family members, support people, and support animals are permitted to attend in person.

Dress Code

When you appear for the VIS meeting, you should be dressed in respectable attire. The atmosphere in the meeting is relaxed, but still remains a formal meeting that addresses your issues within the criminal justice system. Disrespectful attire could result in a sanction.

Interagency Team

The VIS Interagency Team will make all decisions regarding your participation in the VIS program. The VIS Interagency Team consists of the following members:

- Public Defender and/or your attorney
- Deschutes County Circuit Court Presiding Judge
- Deschutes County Deputy District Attorney
- VIS Coordinator
- Vet Center Treatment Provider
- Mentor Coordinator

- Deschutes County Parole and Probation Officer
- Law Enforcement Representative

Prior to each VIS meeting, the VIS Interagency Team will meet to familiarize themselves with your progress based on the self-progress report you submit each month and presentations by your PO, the Vet Center and/or any other relevant treatment or service providers. During these meetings the Interagency Team will discuss your attendance, participation and cooperation in the treatment program, employment, and any other requirements that you are required to complete as part of your treatment plan. The VIS Interagency Team may ask questions of these representatives to gain a clear understanding of your progress and will discuss with them any problems you may be experiencing.

Mentoring

All VIS participants are assigned a volunteer veteran mentor. The mentor is a veteran who understands where you've been and stands ready to help you problem-solve, access services, or just talk. With few exceptions, conversations you have with your mentor are confidential. Enrolled veterans must meet and engage with their mentor on a weekly basis. This is a critical component of the VIS program.

Definitions

Support Group: a support group is a gathering of people facing common issues to share what's troubling them. Through the sharing of experiences, they're able to offer support, encouragement, and comfort to the other group members, and receive the same in return.

Treatment Group: a therapy modality wherein clients learn and practice recovery strategies, build interpersonal skills, and reinforce and develop social support networks.

TRACK II: PROGRAM PHASES

The Deschutes County VIS program has a two-track system. Individuals cited for more serious misdemeanor crimes and felonies are eligible to participate in Track II; however, there are circumstances where individuals charged with less egregious crimes may also be placed in Track II. Placement within Track I or Track II is based upon the crime, the individual's criminal and medical histories, and the level of services and support the VIS Interagency Team deems necessary for the individual to have the best opportunity for success. Track placement is determined during the eligibility review process.

This manual focuses on Track II program requirements. Track II has four (4) distinct phases that each participant must complete to graduate. Each phase consists of both common and distinct expectations of your behavior and performance. The phases and associated requirements have been constructed to guide the participant through the critical treatment and support services in order to help the veteran reach his/her full potential.

The VIS Interagency Team reviews and approves requests for phase advancement. Program participation lasts for a minimum of 14 months, but can also last much longer. How long a veteran is in the program depends on how quickly the veteran completes the requirements of each phase.

A participant's first meeting will likely occur during a VIS meeting held at the Deschutes County Circuit Court. After the meeting the participant will review and sign the enrollment documents. When the

enrollment documents are signed, that marks the first official day in the VIS program and the beginning of Phase 1. Although a veteran may attend meetings prior to enrolling in the program, those meetings do not count towards time in the program.

Phase movements are accompanied by certificates of accomplishment handed out at VIS meetings to participants. For a quick snapshot of program requirements for each phase see the *Phase Requirement Chart*.

Phase I: Engagement

Phase 1 emphasizes your orientation to and engagement in the activities prescribed by your individualized treatment plan, which you will develop during this phase. You are expected to attend and engage in all scheduled treatment appointments. You will appear at VIS meetings bi-weekly and will meet with your probation officer as directed. Additionally, you will meet with the Vet Center representative (or Veterans Service Officer) to review present benefits and apply for other benefits for which you may be eligible. If substance abuse is diagnosed, you will submit to random, observed toxicology testing. If you have not already met your veteran mentor, you will be introduced to them during this phase.

The participant must demonstrate a minimum of seven (7) consecutive days of compliance with Phase 1 requirements before moving to Phase 2: Treatment. Phase 1 typically lasts a minimum of 2 months.

Phase 2: Treatment

Phase 2 continues the activity expectations of Phase 1, with the expectation of positive treatment progress. If substance abuse is diagnosed, you are expected to abstain from the use of alcohol and non-prescribed controlled substances as evidenced by negative toxicology screens. You will connect regularly with your veteran peer mentor support, when needed, to continue to work on benefits, and begin preparing a budget and thinking about your wellness plan.

Upon the VIS Interagency Team receiving consistent, positive treatment progress reports, you may move to Track II - Phase 3. This phase typically lasts a minimum of three (3) months for Track II and requires monthly attendance at a VIS meeting.

Phase 3: Reclaiming Self

In the third phase, you will continue to demonstrate positive treatment progress. Additionally, you are expected to devote attention to needed life skills and social supports such as education, employment and housing. Upon substantially completing the prescribed treatment activities, you may move to Track II - Phase 4. Phase 3 typically lasts a minimum of 6 months for Track II veterans, and also requires attendance at the VIS meeting monthly.

Phase 4: Maintenance

In Phase 4, you are expected to remain clean and sober as verified by negative toxicology tests. You will also work to achieve your life skills and social support goals. Stability and maintenance of wellness are expected of participants in this phase. Continue to fill out monthly self-progress reports through this phase. To complete this phase, health, social, and chronic issues will have been addressed and stabilized or working towards stabilization. You will also demonstrate the ability to successfully self-manage your life, and you will not have any new citations, arrests, or warrants issued against you since entering the VIS. Phase 4 lasts a minimum of 3 months.

Graduation

After successfully completing Phase 4 of the program, you will be scheduled for graduation. Graduation from VIS is recognized as a very important event. You may invite your loved ones and friends to join you as the VIS Interagency Team congratulates you for successfully completing the requirements of the VIS program and accomplishing your goals. Graduation is honored by receiving a framed certificate and commemorative coin.

TRACK II VIS Phase Schedule						
Phase Entry	Meeting Type	Starting Month	Completed Month	# of Months per Phase	Calendar Example	
Phase 1	Enrollment	1		2	2023	
	Regular Mtg	2	1st month			1-Jan
	Phase-up Mtg	3	2nd month			1-Feb
Phase 2	Regular Mtg	4	3rd month	3	2023	
	Regular Mtg	5	4th month			1-Mar
	Phase-up Mtg	6	5th month			1-Apr
Phase 3	Regular Mtg	7	6th month	6	2023	
	Regular Mtg	8	7th month			1-May
	Regular Mtg	9	8th month			1-Jun
	Regular Mtg	10	9th month			1-Jul
	Regular Mtg	11	10th month			1-Aug
	Phase-up Mtg	12	11th month			1-Sep
Phase 4	Regular Mtg	13	12th month	3	2024	
	Regular Mtg	14	13th month			1-Oct
	Graduation		14th month			1-Nov

Employment / Education / Volunteering

To promote self-value and renewed respect from your community, it is important to be actively engaged in the community by either being employed or being enrolled in post-secondary education full time. Full time equals a minimum of 32 hours per week or 12 education credit hours per semester. If you are receiving disability benefits, 12 hours a week of volunteering will meet this requirement.

- During the first two levels of the program, employment is encouraged, but not required. The primary focus is on treatment and stability.
- You will be required to obtain the employment, education, or volunteer requirement for a minimum of 30 days before being eligible to advance to Track II - Phase 4.
 - Requirements include – fulltime employment, full-time post-secondary, combination of

part-time employment and part-time post-secondary education, or a formal and scheduled volunteer position, if on disability.

- Once obtained, proof of employment or enrollment in school, or volunteerism must be provided to your Vet Center case manager and in your self-progress or phase-up reports. You must maintain this status until VIS graduation.
- May not be employed in “under the table” work.
- All work, school or volunteer locations must be approved by the VIS Interagency Team.
- Employment at a bar/tavern, liquor store, strip club, porn shop, head shop, or marijuana retailer must receive specialized approval by the VIS Interagency Team.

Incentives and Sanctions

While in this program you may receive incentives for positive behavior, sanctions (responses) for noncompliance, and/or therapeutic interventions for behavior not aligned with your treatment plan. All of these are designed to help change your thinking and contribute to long term success. All incentives, interventions, and sanctions are individualized to each participant.

Incentives

The Interagency Team understands how difficult meeting all of your obligations can be while in the program. Therefore, we want to acknowledge all the hard work you put in by rewarding you with incentives. The incentives are broken down into low, moderate, and high categories. Examples of incentives offered include: verbal praise and applause, VIS meeting date privileges (called first to present at meetings), ability to travel out of state, and/or legal incentives such as dismissed or reduced charges.

Therapeutic Interventions

Therapeutic Interventions are actions taken by treatment providers, VIS/Vet Center case managers, and POs at the time of an infraction. These types of interventions are most effective when they are enforced as close to the incident as possible, and will vary by organization based upon their program rules, the participating veteran’s situation, and the infraction that occurred. Information on these interventions will be shared with the VIS Interagency Team.

Sanctions

Sanctions are responses from the VIS Interagency Team for noncompliance. Sanctions are used on a gradually escalating scale and are applied in a consistent and appropriate manner matching the individual conduct and level of compliance. The Interagency Team recognizes that no single set of responses is effective for everyone and each response is tailored to the individual. The Interagency Team discusses what responses or intervention would be best in a staffing meeting before the VIS meeting starts and the VIS Interagency Team makes the final decision regarding all sanctions. You always have an opportunity to speak with your lawyer prior to a sanction being imposed. Being dishonest with the VIS Interagency Team could result in a higher level sanction. Sanctions can include, but are not limited to: verbal admonishments, writing a letter of apology, increased attendance at VIS meetings, community service, jail time, electronic surveillance or program termination.

Termination

The VIS Interagency Team wants all participants to succeed, but if participants continually fail to meet program objectives the DDA can ask for a termination hearing. Examples of behaviors that may result in

a veteran being terminated from the program include: warrants, new arrests or a violation of your treatment plan, falsifying a drug test, or posing a threat to the health and safety of treatment staff.

SUMMARY OF PARTICIPANT RULES

You Will:

- Abstain from the possession and use of all illegal drugs.
- Abstain from the possession and use of alcohol and/or cannabis, if required per treatment or probation.
- Submit to random alcohol and drug testing.
- Remain clean and sober and law abiding.
- Be honest with the VIS Interagency Team and your treatment and service providers.
- Attend VIS meetings and treatment sessions as scheduled.
- Meet with your mentor weekly, be proactive in your relationship with your mentor.
- Work cooperatively with your treatment providers.
- Provide your treatment providers a copy of any current and valid prescriptions you are taking.
- Disclose the presence of any weapons possessed by anyone else in your household.
- Keep the Interagency Team informed of your current address and phone number at all times.
- Dress appropriately for court, VIS meetings, and treatment sessions.
- Abide by all other rules and regulations imposed by the VIS Interagency Team.

You Will Not:

- Use any prescription medications that are not prescribed to you.
- Associate with people who use or possess illegal drugs.
- Be present while drugs or alcohol are being used by others.
- Possess any weapons while in the VIS program.

Drug Screening

You are required to take toxicology tests on a random basis to verify your abstinence from alcohol and non-prescribed controlled substances. The main method of drug testing is urinalysis. At times, you may also be required to submit to other recognized drug use monitoring methods such as sweat patches, blood or hair testing. Urinalysis results and/or other monitoring techniques will be documented and made available to the VIS Interagency Team. Any positive urine screens can be grounds for sanctions by the VIS Interagency Team. If you choose to use, you choose to have consequences.

Clean Date Definition

If you miss a UA, get a dilute, or provide a positive UA, your documented clean date starts over.

- **Personal clean date:** The day after you last used any substances, including alcohol.
- **Documented clean date:** The date of your last negative UA.

Transportation

Transportation to all VIS Interagency meetings, medical, treatment, counseling and Vet Center case manager appointments is the sole responsibility of the participant. A lack of transportation is not an excuse for missing any scheduled event. If you struggle with reliable transportation, please discuss this with your Vet Center case manager to see about accessing local services to obtain regular transportation. This must be completed prior to having transportation issues. Bus passes are available, and the Band of Brothers can also be asked to assist with transportation. **See below for more transportation options.**

Restitution / Compensatory Fine

An attempt has been made by the DA's Office to notify the victim(s) of the offense(s) of your referral and pending entry into the VIS program. To officially enter the program, you must agree to pay all restitution / compensatory fines and admit to all the amounts stolen from the victim(s). Repayment to the victims must be completed prior to graduation, so participants must demonstrate an ability to earn sufficient funds to pay all restitution / compensatory fines during the term of the VIS program.

Victim Impact Panel

If you are required to attend a VIP, you may attend virtually or in-person. The virtual VIP must be sanctioned or provided by MADD. Please attach your certificate of completion to your Self-Progress Report or Phase-Up Application. Local VIPs can be found here: www.maddvip.org/listing/bend-or/

Communication

Maintaining reliable methods of communication is critical for success in VIS. **You must maintain a working email account and phone, and ensure that the address and phone number on record with the VIS Interagency Team is accurate and current.** If your number or email address should change, it is your responsibility to notify the VIS Coordinator and the Vet Center immediately. You are also required to check your phone's voicemail and email regularly in order to respond to messages from the Vet Center and Interagency Team within 24 hours.

Travel

Requests must be submitted at least 3 weeks prior to the travel dates. If an emergency arises, accommodations to the 3-week requirement will be considered. Veterans that have a PO must also receive approval from their PO and complete any necessary paperwork that is required through that process.

Veterans must submit a Travel Request form to obtain permission to travel if:

- The trip involves out of the state travel, or

- The date(s) of travel (no matter the destination) will result in the veteran missing a VIS meeting or needing to attend the meeting virtually.

Travel Request Form Link & QR Code

www.cognitoforms.com/DeschutesCounty2/vistravelrequest

MONTHLY REPORTS & PHASE-UP APPLICATIONS

Monthly Self-Progress Reports

Each month veterans are required to submit a self-progress report. A reminder will be sent out prior to the due date, and it is the responsibility of the veteran to submit this online report on time. The reports are typically due by noon on the Wednesday prior to the veteran’s Monday VIS meeting.

It is important to keep track of the dates of your appointments, treatments and support group meetings, and sessions with your mentor as this information will be needed to complete the report.

Self-Progress Report

<https://www.cognitoforms.com/deschutescounty2/visselfprogressreporttrackiandii>

Phase-Up Applications

Veterans that are ready to Phase-up will be sent a link to the appropriate phase-up application. To be eligible for this advancement, the application must be filled out completely and submitted on time. During months that a veteran is eligible to phase-up, the phase-up application will serve as the self-progress report.

Important Documents

There are a number of important documents that all enrolled veterans will sign and/or must be aware of to successfully complete the VIS.

Informational documents included in this manual are the:

- Track II Phase Requirement Chart
- Participant Bill of Rights
- Approved Over the Counter Medications
- Medication Form

Copies of the documents you signed electronically include:

- Agreement of Participation
- Drug Testing Contract
- Urine Testing and Incidental Alcohol and other Substance Exposure Contract
- Release of Information (ROI)

Conclusion

The goal of the Deschutes County Veterans Intervention Strategy is for you to become well and restore your honor after violating the law. By accessing services, you earned through your service to our country; cooperating with the VIS Interagency Team and partners; and most importantly, by committing yourself to a healthy positive life; you will gain self-respect and renewed respect from your community as a program graduate.

Deschutes County Crisis Services

Crisis services is a 24-hour program that responds by phone or face-to-face. Services may include assessment, intervention planning, information and referral services. In addition, we provide brief crisis stabilization through individual or group treatment. Crisis services are provided to any individual in need, Oregon Health Plan coverage is not required.

Crisis Line: dial 988 or (541)322-7500 x9 or call (800) 875-7364 (toll free) or walk into the Stabilization Center which is open 24 hours a day, 7 days a week.

Stabilization Center: 63311 NE Jamison Street, Bend, OR 97703. Hours of Operation: 24 hours a day, 7 days a week. The Deschutes County Stabilization Center (DCSC) serves children and adults who are in need of short-term, mental health crisis assessment and stabilization, but do not require the medical capabilities of an acute care hospital or longer-term residential care. The DCSC welcomes individuals to walk in when they are experiencing a mental health crisis.

APPENDICES

TRACK II PHASE REQUIREMENTS

The VIS Track II program runs approximately 14 months. Failure to complete phase requirements during the expected period may result in a delay in your progress and extension of your participation in the program, including more required VIS meetings and possible sanctions. If you have any questions, please reach out to the VIS program manager, your Vet Center counselor, and/or your mentor.

Phase 1: Engagement

Time Required: Minimum 2 months, including attendance to at least 3 VIS meetings at the Vet Center and Courthouse.

- Attend three (3) VIS meetings. You will enroll into the program at the end of your first meeting. This is your orientation meeting and at the next two (2) VIS meetings you will be an enrolled participant.
- Meet with your Vet Center case manager and complete a personalized treatment plan. Comply with treatment requirements.
- Participate in VA Homes assessment for benefits and services with the Vet Center or a Veterans Justice Outreach Specialist (VJO).
- Begin stabilization of housing / food / medical care.
- Attend at least two (2) support group meetings.
- Meet with your mentor at least once per week.
- You may be subject to a random sobriety test (UA or breathalyzer).
- Schedule assessment with Batterers Intervention Program, if required.
- Minimum of seven (7) days sanction free.
- Schedule assessment with Batterers Intervention Program, if required.
- No recent interactions with law enforcement (speeding tickets, arrests, etc.)
- Submit a monthly self-progress report. You will be sent an email with a link to fill out this report. Please check your email the Tuesday prior to your Monday meeting. The report is typically due Wednesdays at noon, unless your meeting has been changed due to a holiday. In that case it may be due at 9am on Wednesday. You are required to fill out this report whether or not you attend a meeting.
- Submit a Phase-Up to Phase 2 Application. This will be emailed by the VIS program manager when you have completed your Phase 1 timeline and requirements, and when the VIS Interagency Team feels you are ready to transition to Phase 2.

Phase 2: Treatment

Time Required: Minimum 3 months, including attendance to at least 3 VIS meetings at the Vet Center and Courthouse.

- Attend three (3) VIS meetings.
- Secure/maintain stable living environment.
- Meet with your Vet Center case manager.
- Meet with your mentor at least once per week.
- Attend at least one (1) support group meeting per week.
- Follow through on personal treatment plan and engaging in treatment regularly. Comply with treatment requirements.
- Comply with random sobriety test (UA or breathalyzer).
- Show progress with Batterers Intervention Program (BIP), if required.
- Minimum 30 consecutive days sanction free.
- Minimum 30 consecutive days documented clean time.
- No recent interactions with law enforcement (speeding tickets, arrests, etc.)
- Submit a monthly self-progress report. Please check your email the Tuesday prior to your Monday meeting. The report is typically due Wednesdays at noon, unless your meeting has been changed due to a holiday. In that case it may be due at 9am on Wednesday. You are required to fill out this report whether or not you attend a meeting.
- Submit a Phase-Up to Phase 3 Application. This will be emailed by the VIS program manager when you have completed your Phase 2 timeline and requirements, and when the VIS Interagency Team feels you are ready to transition to Phase 3.

Phase 3: Reclaiming Self

Time Required: Minimum 6 months, including attendance to at least 6 VIS meetings at the Vet Center and Courthouse.

- Attend six (6) VIS meetings.
- Secure/maintain stable living environment.
- Meet with your Vet Center case manager, as needed.
- Meet with your mentor at least once per week.
- Attend two (2) support group meeting per week whether detailed in the BIP plan or not.
- If applicable, establish a restitution/compensatory fine payment plan. Make first payment before transitioning to Phase 4.
- Continue to follow BIP plan and/or treatment program. Comply with treatment requirements, complete all required treatment work.
- Comply with random sobriety test (UA or breathalyzer).
- No recent interactions with law enforcement (speeding tickets, arrests, etc.)
- Obtain full-time (per disability rating) employment, education, volunteering, or a combination. Volunteering should be a minimum of two (2) hours per week for three (3) months.
- Minimum 60 consecutive days sanction free.
- Minimum 30 consecutive days documented clean time.
- Submit a monthly self-progress report. Please check your email the Tuesday prior to your Monday meeting. The report is typically due Wednesdays at noon, unless your meeting has been changed due to a holiday. In that case it may be due at 9am on Wednesday. You are required to fill out this report whether or not you attend a meeting.
- Submit a Phase 4 Application. This will be emailed by the VIS program manager when you have completed your Phase 3 timeline and requirements, and when the VIS Interagency Team feels you are ready to transition to Phase 4.

Phase 4: Maintenance

Time Required: Minimum 3 months, including attendance to at least 3 VIS meetings at the Vet Center and Courthouse.

- Attend three (3) VIS meetings.
- Maintain stable living environment.
- Meet with your Vet Center case manager, as needed.
- Meet with your mentor at least once per week.
- Attend two (2) support group meeting per week whether detailed in the BIP plan or not.
- If applicable, make final restitution/compensatory fine payment.
- Continue to follow BIP plan and/or treatment program. Comply with treatment requirements, complete all required treatment work.
- Comply with random sobriety test (UA or breathalyzer).
- No recent interactions with law enforcement (speeding tickets, arrests, etc.)
- Maintain employment, education, volunteering, requirements.
- Minimum 30 consecutive days sanction free.
- Minimum 90 consecutive days documented clean time.
- Submit a monthly self-progress report. Please check your email the Tuesday prior to your Monday meeting. The report is typically due Wednesdays at noon, unless your meeting has been changed due to a holiday. In that case it may be due at 9am on Wednesday. You are required to fill out this report whether or not you attend a meeting.
- Submit a Graduation Application. This will be emailed by the VIS program manager when you have completed your Phase 4 timeline and requirements, and when the VIS Interagency Team feels you are ready to transition to graduation.

Graduation

DESCHUTES COUNTY VETERANS INTERVENTION STRATEGY PARTICIPATION BILL OF RIGHTS

1. You have the right to accept or refuse participation after receiving this explanation.
2. If you agree to treatment, you have the right to change your mind at any time (unless specifically restricted by law).
3. You have the right not to be discriminated against due to your race, creed, color, national origin, sex or physical disability.
4. You have the right to a humane environment that provides reasonable protection from harm and appropriate privacy for your personal needs.
5. You have the right to be free from abuse, neglect, and exploitation.
6. You have the right to be treated with dignity and respect.
7. You have the right to appropriate treatment in the least restrictive setting available that meets your needs.
8. You have the right to be told about the program's rules and regulations before you are admitted.
9. You have the right to a treatment plan designed to meet your needs, and you have the right to take part in developing that plan.
10. You have the right to meet with staff to review and update the plan on a regular basis.
11. You have the right to have information about you kept private and to be told about the times when the information can be released without your permission.
12. You have the right to receive an explanation of your treatment or your rights if you have questions while you are in the VIS Program.
13. You have the right to make a complaint and receive a fair response from the program within a reasonable amount of time.
14. You have the right to get a copy of these rights before you are admitted into this program, including the address and phone number of the Oregon Department of Criminal Justice.
15. You have the right to have your rights explained to you in simple terms, in a way you can understand, upon request.

If you feel that your rights have been violated or that you have been treated unfairly, you have the right to file a grievance with the VIS program, in writing (Deschutes County District Attorney's Office, 1164 NW Bond St., Bend, OR 97703) or by phone (541-317-3175). You also have the right to complain directly to the Oregon Department of Criminal Justice at any reasonable time in writing (Oregon Department of Justice, 1162 Court St. NE, Salem, OR 97301) or by phone (503-378-6002).

APPROVED OVER-THE-COUNTER MEDICATIONS

The following medications are approved for the VIS participants to take without prior permission. These medications must be taken at the appropriate dosage listed on the drug's label or a positive urine test could result. **Do not take more than the dosage indicated on the label.** If you have any questions, contact your Vet Center case manager and/or treatment provider for clarification.

Each drug listed below must be taken as listed and without any further additives (i.e. no Tylenol Cold* or Tylenol Nighttime*).

Pain

None of the following can be the PM formula.

- Acetaminophen 500mg, 1-2 tablets every 4-6 hrs
- Ibuprofen 200-800 mg, every 4-6 hrs as needed
- Aspirin
- Excedrin Migraine*

Flu Symptoms

- Theraflu*
- Alka-Seltzer*

Cough / Cold

- Delsym* (non-alcoholic/pediatric)
- Mucinex* (cannot be D or DM)

Allergies

None of the following can be D or DM formula.

- Claritin*
- Allegra*
- Benadryl*

Stomach

- Mylanta*
- Milk of Magnesia*
- Pepto Bismol*

Joint Pain

- Tylenol Arthritis*
- Ben Gay* muscle rub & thermal patches
- Icy Hot* muscle rub & thermal patches

Antacids

- Zantac*
- Pepcid*
- Prilosec*
- Tums*/Rolaids*

Vitamins

No sports additives or supplements.

- Multivitamins
- Prenatal Vitamins

If you require a medication not listed here, please contact your treatment provider for all medication approvals. Only treatment providers can approve medication.

DESCHUTES COUNTY VETERANS INTERVENTION STRATEGY AGREEMENT OF PARTICIPATION

Participant Name:

DOB:

If accepted for enrollment into the Deschutes County Veterans Intervention Strategy (VIS) program hereby agree to the following stipulations:

1. **Honesty.** I agree to be honest with the VIS Interagency Team, and I understand that information I disclose about the offense I am charged with committing and/or information about my mental health and/or alcohol and drug use will not be used against me in future prosecutions or punishment hearings.
2. **Strategic Action Plan.** I will attend, engage, participate in, and complete all treatment and counseling that is part of my treatment plan and/or ordered by the VIS Interagency Team as a condition of my participation in the program. This may include, but is not limited to: detoxification, residential treatment, inpatient treatment, outpatient treatment, aftercare and relapse prevention treatment, counseling, support group attendance, cognitive behavioral classes and supplementary treatment, or education considered essential to attaining goals listed in my action plan. I understand that depending upon my income, I may be responsible for some or all treatment costs.
3. **Abstinence from Alcohol and Drugs.** If ordered by the VIS Interagency Team as a condition for my enrollment in the program, I agree that I will not possess and/or use alcohol and illegal drugs. I will use prescription medication only as prescribed to me by a physician. I further agree to inform any treating physician or dentist of my substance abuse dependency, and that I should not take any narcotic or addictive medications or drugs and should request non-narcotic alternatives. Furthermore, if a treating physician determines that narcotic or addictive medications or drugs are necessary, I must disclose this to my treatment provider(s) and my VIS/Vet Center case manager so that the VIS Inter-agency team may make a determination about my continued program participation. Before taking medication of any kind, I will check with the pharmacist to ensure that it is non-narcotic, non-addictive and contains no alcohol. I will list any and all over-the-counter and prescription medications to my treatment provider, VIS/Vet Center case manager and probation officer prior to submitting to any drug or alcohol screens. I further agree to submit to frequent and random testing for the presence of alcohol and drugs as directed by the VIS Inter-agency team, and to pay any required fees for testing.
4. **Disputing Positive Screening Test Results.** I understand that I may dispute positive test results but that I will be responsible for payment in advance for the drug testing confirmation costs. If positive drug use is confirmed, the sanction will be more stringent than if I had been honest about having used alcohol or drugs.
5. **Commit No New Offenses.** I will not violate the laws. If I do, I understand that any violation or arrest must be reported to the VIS Interagency Team within 48 hours. I understand that an arrest or citation for a criminal offense that occurs during the course of the program will be considered a violation of program rules and that the VIS Interagency Team need not await disposition of new criminal offenses before implementing sanctions on the case already pending in the VIS program.
6. **Attend All Scheduled Appearances.** I will appear or report as scheduled to the VIS meetings, treatment, counseling sessions and meetings with my VIS/Vet Center case manager(s) and appointments with my VIS mentor. I will arrange for my own transportation and understand that lack of transportation is not an excuse for missing any scheduled event.

7. **Maintain Employment and/or Education.** I will maintain appropriate full-time employment or full-time status as a student, or will attend any education or job training programs to which I am referred. I will report any change in status to the VIS/Vet Center case manager within 48 hours.
8. **Housing.** I will maintain stable housing considered appropriate by the VIS Interagency Team for my recovery.
9. **Payment of Fees.** I agree to pay all VIS-ordered financial obligations.
10. **Field Visits.** I understand that the VIS/Vet Center case manager and/or other VIS team members may conduct field visits to my residence, place of employment and other areas I may inhabit or frequent. I understand that as a program participant I may be subject to periodic home visits by VIS personnel which may either be announced ahead of time or unannounced. For the purpose of home visits, I agree to waive any Fourth Amendment Search and Seizure claims and I agree to cooperate fully with VIS personnel in the event that a home visit is conducted. I understand that failure to fully cooperate with a home visit will be considered a violation of program rules and will make me subject to potential sanctions.
11. **Appropriate Behavior.** I agree to respect the opinions and feelings of other program participants and understand that verbal or physical threats or abuse will not be tolerated.
12. **Respect of the VIS Interagency Team.** I will use appropriate language in the VIS meetings and will address the VIS Interagency Team with respect. I will not lean on the table, nor bring food, drinks, gum, tobacco, or recording devices to the VIS meetings.
13. **Cellular Phone or Pagers.** I agree to make sure that all cell phones and pagers are turned off during all VIS meetings, treatment and counseling sessions, and any other VIS-related meetings or activities.
14. **Dress Code.** I understand and agree to dress appropriately for the VIS meetings and for any meetings required while in the VIS program.
15. **Disclosure of Program Information for Review.** I understand that for the purpose of data collection or review of this program, some otherwise confidential information be disclosed to third parties. Statistical information will not include my name, address, or personal identifying information.
16. **Confidentiality of Veterans Intervention Strategy Participation.** I understand that my enrollment in the VIS program will be a matter of public record, that the VIS program is open to the public, and the rules of confidentiality do not apply there. I understand that the VIS/Vet Center case manager and other treatment providers will make reports to the VIS Interagency Team concerning my progress in treatment. I have signed a release of information form to facilitate this exchange of information. I agree to release information and permit communication with outside agencies to assist in fulfilling my requirement of the program. I will not disclose information regarding any other VIS participants and agree to maintain their confidentiality.
17. **Travel.** I understand that I must notify my VIS/Vet Center case manager and the VIS Interagency team of my counties of residence and work upon entering the program. When traveling within Oregon during the course of the program I will notify VIS personnel in advance of my travel plans, including the county/counties that I intend to visit. Before leaving the state or the country I understand that I am expected to notify the VIS/Vet Center case manager and my attorney, and that explicit permission from the VIS Interagency Team is required before leaving the state. I understand that the VIS Interagency team must be informed of my destination, the length, and the purpose of my trip before engaging in interstate or international travel.
18. **Statute of Limitations/Speedy Trial.** I understand that by enrolling in the VIS program I am waiving my future claims regarding speedy trial or statute of limitations issues on the case or case under

which I am being accepted into the VIS program. I understand that I will not be permitted to raise objections pertaining to timeliness or speedy trial on cases which have remained pending pursuant to admissions into the VIS program.

I understand that I must abide by the conditions ordered by the VIS Interagency Team including my individual treatment plan. Failure to comply may result in sanctions including, but not limited to, admonishment, verbal reports, written reports, increased drug/alcohol testing, increased treatment requirements, jail time or involuntary termination from the program.

DRUG TESTING CONTRACT

I understand:

1. I will be tested for the presence of drugs in my system on a random basis according to procedures established by the Deschutes County Veterans Intervention Strategy (VIS) Program.
2. If I am assigned a number for testing, I will be required to test during the specified lab hours for the day on which my current number is called.
3. I may be required to submit to a test more frequently.
4. I will be given a location and time to report for my drug testing.
5. It is my responsibility to report to the assigned location at the date and time given for the required drug test.
6. I must fill out the appropriate form at the drug testing laboratory indicating all current medication I am taking, including both prescription and over-the-counter medication. Be prepared to list and spell correctly, all medication prior to each drug test.
7. All drug tests will be observed using a same sex collector: women observe women and men observe men.
8. If I am late for a test or miss a test, it will be considered a positive test for drugs/alcohol and that I will be sanctioned. If I refuse to submit a urine sample, it will be reported as a refusal to test.
9. I must provide a urine sample which is negative for all drugs or I will be sanctioned. Urine samples will also be analyzed for temperature, specific gravity, Creatinine and other chemical markers to ensure a valid urine specimen.
10. If I fail to produce a urine specimen or if the sample provided is not sufficient quantity, it will be considered a positive test for drugs/alcohol and I will be sanctioned.
11. I have been informed that drinking excessive amounts of fluids can result in a diluted urine sample and I understand that my urine sample will be tested to ensure the urine sample is not diluted. I

understand that if I produce a diluted urine sample it will be considered a positive test for drugs/alcohol.

12. Substituting or altering my specimen for the purpose of changing the drug testing results will be considered a positive test for drugs/alcohol and will result in sanctioning and may be grounds for termination from the VIS.
13. The lab collector will not discuss the results of my drug test with me at the time of collection. The collector or laboratory will not provide any information about my drug test results to me, and that the results will be reported directly to the VIS coordinator and my treatment provider.
14. If I wish to have a confirmation test by an independent lab, I must pay for this test prior to my next VIS meeting date. This confirmation test will be conducted by a certified, independent drug-testing laboratory. The confirmation test will use gas chromatography/mass spectrometry (GC/MS) and other appropriate chemical testing protocols. If the positive drug screen is confirmed, I will be subject to an additional sanction, including jail for dishonesty to the VIS Interagency team.

URINE TESTING, INCIDENTAL ALCOHOL, AND OTHER SUBSTANCE EXPOSURE CONTRACT

Recent advances in science of alcohol detection in urine have greatly increased the ability to detect even trace amounts of alcohol consumption. In addition, these tests are capable of detecting alcohol ingestion for significantly longer periods of time after a drinking event. Because these tests are sensitive, in rare circumstances, exposure to non-beverage alcohol sources can result in detected levels of alcohol (or its breakdown products). In order to preserve the integrity of the VIS drug testing program, it has become necessary for us to restrict and/or advise VIS participants regarding the use of certain alcohol-containing products.

It is your responsibility to limit exposure to the products detailed below that contain ethyl alcohol—the intoxicating ingredient in alcoholic beverages. Additionally, it is your responsibility to read product labels to know what is contained in the products you use and consume. Inspect these products before you use them. Use of the products detailed below are in violation of this contract and will not be allowed as an excuse for a positive test result. **When in doubt, don't use, consume, or apply to your skin, body, or hair.**

Cough Syrups and Liquid Medications: Specialized veterans treatment programs have always been prohibited from using alcohol-containing cough/cold syrups, such as Nyquil. Other cough syrup brands and numerous other liquid medications rely upon ethyl alcohol as a solvent. VIS participants are required to read product labels carefully to determine if the product contains alcohol. All prescription medications should be reviewed with your treatment provider, or PO before use. **No medication should**

be taken without prior permission from your treatment provider or probation officer. A list of “Approved Over-the-Counter Medications” is provided to you at orientation within your VIS Manual. Information on the composition of prescription medication should be available on request from your pharmacist. Non-alcohol cough and cold medication are readily available at most pharmacies and major retail stores.

Creams and Topical Products: Many topical creams and gels that you rub into your skin for application contain alcohol. Do not use any topical medications and/or creams (such as body lotion, moisturizer, etc.) that contain any amount of alcohol. Additionally, you are not allowed to use any topical medication that contains alcohol as an ingredient (hormone, anesthetic or analgesic cream or gel).

Non-Alcoholic Beer/Wine/Kombucha: Although legally considered non-alcoholic, beverages like O’Doul’s*, Sharp’s*, and kombucha do contain a residual amount of alcohol that may result in a positive test result for alcohol if consumed. VIS participants are not permitted to drink kombucha, non-alcoholic beer, and non-alcoholic wine.

Food and Other Edible Products: There are numerous other edible products that contain ethyl alcohol that could result in a positive test for alcohol. Flavoring extracts, such as vanilla or almond extract, and liquid herbal extracts (such as Gingko Biloba) could result in a positive drug test for alcohol. Foods cooked with wine should be avoided, such as cherries jubilee, Baked Alaska, rum cake, burgundy chicken, and flambé dishes. These foods may still contain alcohol even after cooking and must be avoided. When eating food that you did not make, ask if the food was prepared using any ingredients containing alcohol.

Mouthwash and Breath Strips: Most mouthwashes (i.e. Listermint* or Cepacol*) and breath-cleansing products contain alcohol. The use of mouthwashes containing alcohol can produce a positive test result. Participants are required to read product labels and determine whether a mouthwash product contains alcohol. Use of alcohol-containing mouthwashes and breath strips by VIS participants is not permitted. Non-alcohol mouthwashes are readily available and are okay to use. If you have questions about a particular product, bring the product to discuss with your VIS/Vet Center case manager or treatment provider.

Hand Sanitizer: Hand sanitizers (i.e. Purell* or Germex*) and other antiseptic gels used to disinfect hands contain up to 70% alcohol. Excessive or repeated use of these products could result in a positive urine test. Hand washing with soap and water instead is recommended and is just as effective for killing germs.

Hygiene Products: Aftershaves and colognes, hair sprays and other hair care products, many astringents, and certain body washes contain alcohol. While it is unlikely that limited use of these products would result in a positive test for alcohol, excessive or repeated use of these products could affect drug test results. Participants must use such products sparingly to avoid reaching detection levels. Just as the VIS Interagency Team requires VIS participants to regulate their fluid intake to avoid a diluted urine drug test, it is likewise important that each participant limit their use of hygiene products containing alcohol.

Solvents and Lacquers: Many solvents, lacquers and home repair products used in the construction industry and for home repairs contain alcohol. Excessive inhalation of vapors and chronic exposure to such products can potentially cause a positive drug test for alcohol. As with the products listed above, VIS participants must educate themselves to the ingredients in the products they are using. There are

many commercially available alternatives to nearly any item containing ethyl alcohol. Frequency of use and duration of exposure to such products should be kept to a minimum. A positive test result will not be excused because you use these products. If you must work with these products, you need to discuss this with your VIS/ Vet Center case manager and PO if assigned one. Do not wait for a positive test result before discussing this with them.

Homeopathic or Herbal Products: Many of the herbal products contain unknown ingredients in undetermined amounts. It is recommended that you do not take any of these products without first talking with your doctor. Carefully read the labels on any liquid herbal or homeopathic remedy and do not take without prior approval of your VIS/ Vet Center case manager.

Bug Sprays and Insecticides: Do not use bug sprays (i.e. Off*) or other chemical sprays containing alcohol.

Poppy Seeds: There are other numerous edible products that contain and can cause you to have a positive UA for **morphine** as listed below. Any food or edible that contains **poppy seeds** must be avoided, such as: Dave’s Killer Bread*, poppy seed muffins, and breakfast bars.

CBD Products: It is also important to note that CBD products are unregulated and initial tests by reporting agencies have found that products can contain varying levels of THC content. It is highly advisable to avoid the use of CBD products unless they are medical grade and have been prescribed by your doctor and are included in your Medication form.

**Remember, when in doubt, do not use, consume, or apply a product.
Ask permission prior to using or consuming.**

I have read and understand my responsibilities as outlines above:

DESCHUTES COUNTY VETERANS INTERVENTION STRATEGY RELEASE OF INFORMATION (ROI)

I, _____, _____, authorize the
Full Name (First, Middle, Last) Date of Birth

Veterans Intervention Strategy (VIS) program partners (Deschutes County District Attorney's Office, Deschutes County Circuit Court, Deschutes Defenders, Atlas Law Group, Central Oregon Vet Center, Veterans Administration, Deschutes County Sheriff's Office, Bend Police Department, Redmond Police Department, Sunriver Police Department, and Black Butte Ranch Police Department) to disclose verbal or written information regarding items noted below between the above agencies and their employees* to determine my eligibility, participation and successful completion of my involvement in the program, as well as to track the impact of the VIS program.

Personal and confidential information about me that may be shared between the District Attorney's Office, the Vet Center, my defense attorney, law enforcement, circuit court, VIS community partners, and VIS treatment providers, includes:

1. Law Enforcement Records and Criminal History
2. Plea Agreement details
3. Medical Records, including drug, alcohol, behavioral health and other relevant health records.
 - a. To determine eligibility, ensure continuity of care, and to assess the personal treatment plan, records will be requested from your current primary care provider and/or other medical specialists.
4. VIS Evaluation Screening Data and Results.
5. Meeting Compliance, Assessment Results, and Treatment Provider Compliance Letters.
6. General Case Management Information/Impressions.
7. Urinalysis and Other Test Results.
8. Attendance and compliance to treatment with external agencies providing prescribed treatment/services.

I am aware and I understand that the information collected, shared, and analyzed about me will be used to:

1. Determine my eligibility to participate in the VIS program.
2. Track my process and progress through the VIS program.
3. Determine if I have completed the VIS program requirements for phase progression and graduation.
4. Track the progress and impact of the VIS program.

- a. Personal data collected for program evaluation and reporting will be de-identified and aggregated with all program participants' data, to ensure personal details are not traceable to an individual.

Through the VIS program's screening process, which includes a legal and health assessment, I will either be deemed:

1. Ineligible for the program.
2. Eligible Track I.
3. Eligible Track II.

If I am deemed eligible for the VIS program:

1. I must accept responsibility for the offense I have been charged.
2. I must comply and complete all the requirements for all four phases of the program to be eligible for graduation.
3. I must graduate to receive the legal benefits that have been agreed upon by officially enrolling in the program.

Failure to complete any part of the program can result in termination of my involvement in the VIS program and my case to return to the traditional court system.

The VIS program is voluntary, but if accepted into the program, it is required that I must:

1. Attend all the VIS Meetings for which I am scheduled.
2. Actively engage with Vet Center staff for individual and group meetings and treatment programs.
3. Meet regularly with my assigned mentor.
4. Participate in treatment programs with VIS partners, as recommended through my personal treatment plan and as mandated by the VIS Interagency Team.
5. Comply with UA tests.
6. Pay restitution and court fees, if applicable.
7. Maintain a working email account and phone number.
8. Ensure that my contact information on record at the Vet Center is always up to date.

I may revoke this authorization to release my information and/or decide to not participate in this program at any time by giving written notice to the District Attorney.

1. Revoking the authorization to share my information or stating that I no longer want to participate in the VIS program, means I will not be eligible for the benefits that the VIS program provides and my case will return to the traditional court system.

If the District Attorney prosecutes me for separate crimes committed at or near the time of the crimes for which I am entering the VIS program, I waive my former jeopardy rights under ORS 131.515(2) as to the crime(s) for which I enter the VIS program.

I have been provided with a copy of this letter for my records.
